(b)(3):10 USC WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

On 14May02 at aprox. 2300hrs while conducting linen exchange (b)(2) ISN (b)(2) became irate due to the fact he was not satisfied with the procedure of linen exchange and requested that I hand all of the items and that once they had it they would decide if they were willing to exchange them. When I told him that it could not be done in that manner he said that I was new and that I did not know what I was doing, there was a broom leaning against the fence and he held it in his hands and started to throw it over the fence while asking if I wanted any trouble. At this time I moved away to a safe distance and he stopped.

His time was complete and the Block Guard instructed the detainee to come to the beanhole to be shackled and cuffed. The detainee told the Block Guard "one more minute". The Block Guard stated "No". At that time, the detainee ran toward the beanhole, reached through, and swung at the Block Guard. The detainee missed the Guard and swung again, missing the Guard a second time. The other Guard secured the detainee's arm and pushed him away from the REC fence. The detainee finally complied when the Block NCO arrived.

§130b, (b)(6), (b)(7)(C)

On 2001/11/05, at approximately 1400 hours, I was informed by (b)(3):10 that he wished to be moved out of Camp Four to isolation. Camp Five or Camp Echo. When I inquired as to why he wished to be moved he stated that it is very hot here and he wants air conditioning. I informed (b)(3):10 that I did not think this was a valid reason for us to remove him from Camp Four but that I would forward his request up my chain of command. (b)(3):10 stated, "we have one week to move him or he would do something to be sent to isolation". I asked him what would he do to which he replied: "I will grab a MP's arm and break it". I then asked him why would he want to do that why none of the MP's has done anything wrong to him. (b)(3):10 then stated "you are right, bring me and I will try to break his arm or spit on him and that should get me to isolation" (b)(3):10 USC §130b, (b)(6), (b)(7)(C)
